HOW TO RENEW A CURRENT NON-ATHLETE USA SWIMMING MEMBER

Important Information:

- The existing non-athlete member will need to create a new account with USA Swimming. Previous accounts are no longer valid or active.
- Non-athletes will have a new USA Swimming Member ID as of September 1, 2022. This ID is a combination of letters and numbers randomly generated by USA Swimming. Your ID will be provided by the SAC admin.
- Follow the steps below! There are other resources available through USA Swimming, etc but the information outlined here has been created to eliminate unnecessary steps in an already complicated process for families.
- This will be easier in the future once renewing members have an account and experience with the new platform. In the meantime, be patient and ask questions.
- If, and when, you get stuck on any page with a “Loading” message, please log out and log back into your account using your new account log in information.
